In The Names of Our Heavenly Father and Mother, we extend our Ethiopian Greetings to you!

Thank you for your message that addresses and refers to the subject-matter raised by Ato Tewodros Hunachew. We truly appreciate your concern and contribution to enlighten the latter by presenting to him an effective means of information which would help him dispel the ignorance and misapprehension that pervade the mind of the same and his likes with regard to Orthodoxy.

However, we would like to record our reservation as to the identity, integrity and qualification of those people who pose themselves as critics of the religion of Orthodoxy and Orthodox Christians, employing derogatory designations for their criticism, such as *"Eastern Orthodoxy: Spiritual Life or Spiritual Death?"*

Who are these critics after all? Are they not one of the Christian factions called Protestants that are labelled as Tseré-Mariam, **ፀረ-ማርያም**, i.e., anti Saint Mary The Virgin Mother of God Jesus Christ? Yes, they are.

If that is the case, in no way do these people have the moral aptitude, authority and entitlement to criticize the fundamental Faith of Orthodox Christianity, other than that, if need be, of the aspect pertaining to the ungodly temporal establishment, practices and hierarchy of the Church alone, in which the latter may be found unduly implicated.

Under the circumstances, we would like to take this occasion to bring to the attention of all humanity THE DIVINE TRUTH that stipulates each and every Faith or Religion in the world to accept and believe in The Holy Virgin Mary:

1) not only as The Mother of God, but also as GOD THE MOTHER HERSELF;

2) as ONE with God The Father primarily, and consequentially with God The Son as well as with God The Holy Spirit in the uniformity of The Godhead of The Trinity;

3) as The **INITIAL SAVIOUR OF THE SINFUL WORLD** when SHE preceded in the Divine Process of possessing and inhabiting the immaculate human body of The Virgin Mary, while Her Beloved Son God Jesus The Messiah [Christ] followed suit in becoming Incarnate in Her Womb for the fulfilment of His Eschatological Divine Commission of reinstating **THE EVERLASTING PEACE** accomplished through the preordained atonement of Himself under His symbolic representation of The Truimphant Lion of The Tribe of Judah vanquishing the Enemy Evil Spirit, i.e., the Devil, eternally, which episode is well expressed in the Sacred Eulogy of the Ethiopian Adoration that says: ብኪ ድኅነት ዓለም! ወበወልድኪ ኮነ ሰላም! *meaning, You [Saint Mary The Virgin] Redeemed the world! And, Your Son Restored The Peace!*

In the likely event that the same sinful world does not accept and believe in the foregoing DIVINE TRUTH that relates to The Virgin Mary, and, to be more explicit, if humanity at large, and the religious world in particular, remain adamant in their denial of the same [DIVINE TRUTH], such detrimental resistance of the latter would amount to an act of blasphemy and apostasy, as well as stealthy satanic campaign of defiance aimed purposely and systematically to bring harm upon Ethiopia: The Kingdom of God.

And, in that case, each and every so-called Faith or Religion in the world as such, including Christianity that had long ago disintegrated itself into Orthodoxy, Catholicism and Protestantism, as well as **Judaism and Islam**, are all but condemned to their suicidal perdition, unless they accept and believe in the DIVINE TRUTH stated above without delay.

This assertion of the reality is well demonstrated and affirmed:

1) in the Prophetic Word of God that declares, in King James Version of the English Bible erroneously and in the interrogative case: "**Are ye not?**", whereas in the authentic Ge'ez [Ethiopic] Text of the same and in the affirmative case: "**Ye are not as children of the Ethiopians unto Me, O children of Israel.**" (Amos 9/7.)

2) by the ongoing various kinds of massive natural disasters worldwide, as well as by all sorts of current and unending global human and social, religious and political, intellectual and literary, medical and environmental, financial and economic, industrial and commercial, rural and urban, scientific and technological crisis and upheavals, wars and bloodshed.

Why is all these strife, turmoil and suffering in the whole world and among all its human inhabitants unleashed and is proceeding? It is only because the same defiant, the pervert and the wicked who are identified as the Anti-God, the Anti-Virgin Mary, the Anti-Christ and the Anti-Ethiopia: The Kingdom of God had "to be compensated with the proper and equivalent reward" for their disobedience and evil deeds, as prescribed in The Book of The Revelation of St. John The Divine (22/12).
