Response from EKoG to Email from Lakew Alemu:

Dear Ato Laqew Alemu:

Thank you for your recent email in which you expressed **"your want to be permanently in contact and get more educational materials and current informatio about the Kingdom of God."**

Yes, for you *"to be permanently in contact and get more educational materials and current information about the Kingdom of God"* is simple.

Yes, it is so simple that you do not need any thing physical, and do nothing physical outside of yourself.

YOU simply be a decent natural human who, on one hand, knowing and believing in The One Ideal Creator of Creation, the visible and the invisible, and Himself is The Right, The Truth and The Good Whom we, The Children of Ethiopia, call Igziab'her, revealed for our sake, in The Images of The Father, The Mother, The Son, The Sister, The Brother, The Servant, The Saviour, The Atonement, The Sacrifice for Peace and The Holy Spirit.

And, yes, YOU simply be a decent natural human who, on the other hand, recognizes and rejects the non-existent phantom adversary of The Creator called the Devil and who is himself wrong, lie and evil.

YOU, as such, be One who thinks The Divine Right, and who speaks The Divine Truth and who does The Divine Good.

For your primary enlightenment in such consciousness, peruse the books and publications of **Ethiopia: The Kingdom of**

God, prepared by Her Servant N'bure-Id Ermias Kebede Welde-Yesus, that could be acquired at all media locations and via Her Website, Facebook, You-tube and other internet forums.

Once you find yourself compliant in faith with **Ethiopia: The Kingdom of God**, through the inspiration of the written contents of The Four Prayers of The Creed, The Testimonial, The Glorification and The Salutation to The Unity, Duality and Trinity of God The Father and The Mother, The Son and The Holy Spirit, let yourself stand in person, at any time and at any place, in front of the Divine Presence of The Latter, and in your Divine Worship in Truth and Spirit, pronounce the Oath of Allegiance to The Same.

Finally, don around your neck the Blessed Identifying Mateb made of Green, Yellow and Red coloured threads representing the Rainbow that constitutes The Divine Ark and Covenant of Noah.

That is it.

Now, by this Act of Faith, you, spiritually and physically, covertly and overtly, individually and publicly, confirmed and proclaimed to your God and to your self as well as to your fellow human-beings the stark reality of your inherent quintessence of Ethiopianness epitomized in your nature of being a Child of God, a Priest [Servant] of God and Royal Possessor of Ethiopia: The Kingdom of God, realized and inaugurated and eternalized by The Divine Covenant of Melke-Tsedeq.

Thus and henceforth, you, not only **"become permanently in contact and get more educational materials and current information about the Kingdom of God"**, but also, **you yourself become THE CUSTODIAN AND APOSTLE of Ethiopia: The Kingdom of God Herself.**

Kidanawi Ermias Kebede Welde-Yesus, [N'bure-Id of Axum Tsyon],
Servant of Ethiopia: The Kingdom of God.
