

E-mail from Lakew Alemu 2nd:

Dear Kidanawi Ermias Kebede,

Thank you very much for your enlightening email of 7/5/2017. I am really very happy with your detailed explanation and instructions regarding, "Ethiopia-The Kingdom of God" and the prerequisites I need to observe to remain committed to the divine power.

In fact, I had read a couple of your first books back in 2005 and since then I have been inspired and motivated to know more about what were revealed in those books. I have also been trying to buy the other books online but they are not yet on the market up to now. Since recently, I have been regularly browsing through the website of "Ethiopia The Kingdom of God" and reading some of the materials posted there, mainly the messages, Devine Proclamations and others. I have downloaded the four prayers (short form) and recite them at least 3 times a day with my other prayers. I will soon have my rainbow ' Mateb" too. Though difficult given the environment I live in, I am trying my best to lead a decent life observing my Christian duties and obligations such as fasting, giving alms and paying offerings, repenting and taking communion at times. I try to keep myself away from all sorts of bad deeds and exposures to worldly life. If "...pronouncing the oath of allegiance.." means some thing different from my understanding, please explain that to me in clear and simple terms.

I understand there is a branch office here in Washington DC but I could not get in touch with any body despite my repeated calls. If a person in charge is available, I would certainly like to contact him/her at any time for more advice and mentoring. Please, let me know if that is possible.

Thank you once again.

Response to: E-mail from Lakew Alemu 2nd:-

Y'dres leTewededu Ato Laqew Alemu:

Thank you for your inspiring and sincere response. My special gratefulness goes also primarily and mainly and most importantly and reverently to Our God for revealing to us such a trustworthy person of Ethiopian birth like yourself at this cross-roads of Divine Manifestations.

First of all, I would like to apologize for the delay of my reply that resulted from the heavy schedule of my Covenantal commitments which I hope you understand.

The following statements and paraphrased quotations hopefully may answer your queries:-

1. "...Pronouncing the oath of allegiance.." means nothing different from your understanding of who you are and what you are employing and experiencing presently in the conduct of your life as a result of your acceptance of the Faith of Ethiopia: The Kingdom of God, as prescribed in the precepts of the Four Basic Prayers: The Creed, The Covenantal Testimony, The Glorification of The Lord God, and The Exaltation of the Holy Mother.

"In Ethiopia: The Kingdom of God, you are received by God The Father and The Mother, The Son and The Holy-Spirit, as well as by The Angelic Heavenly Hosts and by The Covenantal Earthly Children of God and Ethiopia as One Whose person is You, yourself: **Lakew Alemu**.

"This Divine Reality is simply realized in accordance with what is laid out in The Second Basic Prayer of The Holy Covenant, as explained in so clear and unambiguous terms, which is articulated in the following personal affinity:

"I believe that Ethiopia, as such, represents the Kingdom of God Igziabher, embodied in the TEWAHDO [Unity in Duality and Trinity] of the person of the Male **Lakew Alemu**, The Ethiopian of the Holy Covenant, constituting the three Houses of the People, of the Government and of the Priesthood achieved through Her Precepts of The Third God's Covenant with The Ethiopian Melki-Tsedeq.

"For **Lakew Alemu** to be Your Child, You granted **him** the Exaltation of the Birth of Baptism in The Holy Spirit and Fire, and the Sacrament of the Grace of Penance [*your name ought to be preferably the Baptismal One*]. You Spared **him** from Every Temptation, Delivered **him** from Evil, and Overthrew the Powers of the Devil, the Father of Lie, and eliminated Death that Dominated **his** Life. Finally, You Ordained for **him** the Honour and the Privilege to Live in the Rapture of Your Holy Resurrection and in the World of Your Eternal Sabbath.

"I believe that, in order for **Lakew Alemu** to maintain such personal Divine birthright privilege, to confirm **his** inheritance of God Igziabher's Kingdom and to continue rendering **his** pertinent services, it is **his** constant commitment to Absolve **his** Sins through Incessant Repentance and Partake the Holy Communion of My God The Son Jesus Christ that He incarnated from The Goddess Mother Virgin Mary.

2. As to a branch office that you looked for, there at your vicinity in Washington DC, please contact one of the Faithful Servants of Ethiopia: The Kingdom of God at large, by using the following email address: hikassa@yahoo.com.

There and then, and together with the definitions of the above-quoted references from the Covenantal Prayer about yourself, you will learn more about the Divine Concept of the Main and Branch Offices of Ethiopia: The Kingdom of God throughout the Earthly and Heavenly Universes.
